

APPENDIX Q

DISCARDED MILITARY MUNITIONS PREVIOUSLY DISCOVERED AT PORT OF LONG BEACH

Discarded Military Munitions Previously Discovered at Port of Long Beach West Basin

The attached table lists Discarded Military Munitions discovered in stockpiles of previously dredged material in the West Basin. The Discarded Military Munitions were found between 9/26/06 – 12/13/06 during earthwork operations that spread and placed the stockpiled materials for the construction of Pier T Phase 3 Container Yard Expansion Project, HD-S2281. Subject munitions of concern were managed directly by qualified on-site Zapata personnel and the attached table provides descriptions of items removed and disposed.
